If you are also thinking on the same lines,
then we at I-am-SME-of-India, bring to you some **“Practical”** ideas.

<p>Declare a part of your family Jewelry.</p>	
<p>(it might be possible, that your family members have some precious jewellery of gold or Diamond, that your CA does not know !!! Even you don't know)</p>	

	<p>This is usually a non-productive asset for you as a businessman.</p> <p>But, for your better half, this could be “more important” than business. (!!)</p> <p>Help them, Declare a part of their Treasure.</p>
<p>We at lamSMEofIndia panel, felt that this is a Grey area that some people have,</p> <p>and might be not fully accounted for.</p> <p>Declaring this has no effect on your balance-sheets.</p>	
<p>Let the families enjoy</p> <p>You do your job “Declare” them</p>	

ATTENTION!
LIMITED TIME OFFER

Next idea : National Savings Certificates / FDR / IVP / KVP

If you any Account in any known/unknown bank, or post office. Or any NSC / IVP / KVP..... think.....anyway, when they will be encashed they will be repaid in Cheque only. So, they will come in books. So, better declare them now. (if any !!)

Next idea : Expenditures on Tourism, Education, Marriages,

Sometimes, we all spulge. The Department knows it all, now. So, better declare and have peace of mind.

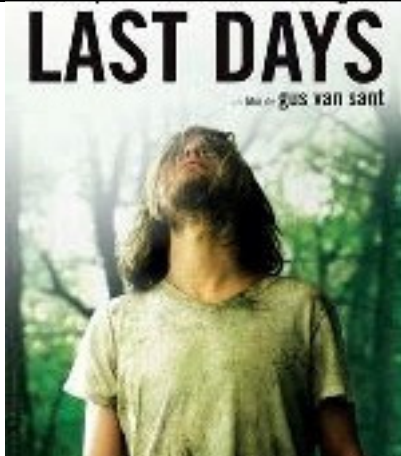

You might be having this lovely House

But..... if is from an undeclared income, it could be
a Time BOMB
